SPRINKLES

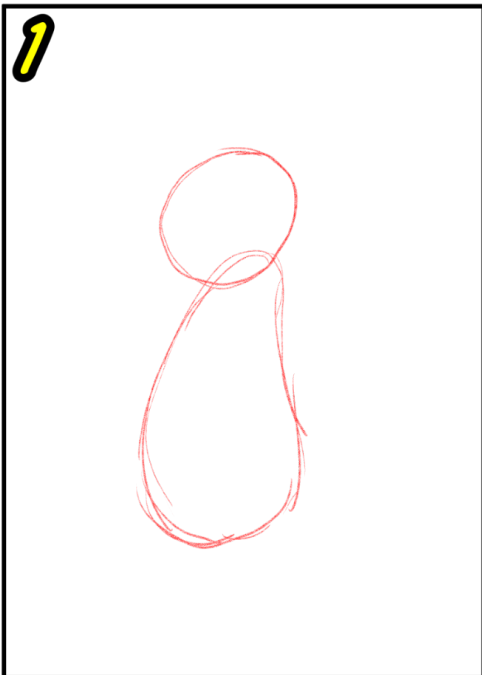

@jrobertdeans

YOU'LL NEED:

A pencil and crayons. You can also use an eraser and an ink pen.

1 Start by lightly sketching the two basic shapes for her head and body: a circle and a bean.

2 Add lines for her arms, legs, and antlers, and a circle for her nose. (Here, I'm drawing her running.)

3 Draw a sideways B for her snout, a U for her jaw, a tail, hearts for the antlers, a diamond for the ear, and macaroni for her arms & legs.

4 Add lines for her hooves. Add the details to her nose, mouth, and ear. Don't forget her eyes and eyebrows!

5 you can either darken the major lines by going over them again, OR use a pen to trace your drawing, and erase the pencils.

6 Time to add the colors! Sprinkles' antlers & hooves are Tan. Her body is: Red, Orange, Yellow, Green, Blue, & Purple! Have fun drawing!
